Course Description

This 3-session course includes in-depth instruction on the PA
 Municipalities Planning Code and the technical components of land use
 planning and regulation, as well as guidance for building effective
 working relationships among the commission members, the governing
 body, and the public. The course is designed to provide planning
 commissioners and other officials with the basic information they need
 to effectively fulfill their responsibilities and to assist other local officials
 in understanding the land use planning process. Hands-on experience
 and discussion are built into each session.

Course Content

1. The PA Municipalities Planning Code (MPC)
2. The Duties of Planning Commissions and Other Officials
3. The Comprehensive Plan
4. Plan Implementation, Including Zoning and Subdivision and
 Land Development
5. Effective Planning Commissions

Who Should Attend: This course is intended primarily for new
 planning commissioners, but is also helpful for experienced planning
 commissioners, elected officials, zoning board members, professional
 planners, attorneys, realtors, and other individuals interested in this topic.
